NOT TRANSFERABLE

R.g. 2(1) (b)

Licence No: [REDACTED]

Date of issue: 23/09/2019

Date of expiry: 23/09/2020

THE FOREST RESOURCES AND TIMBER UTILISATION ACT

THE TIMBER (LEVY AND MILL LICENSING) REGULATIONS

LICENCE TO OPERATE A MILL

(Where the licensee is not authorized to fell trees by a licence issued under section 5 of the ACT)

Subject to the provisions of the Act and any Regulations made thereunder in force from time to time during the currency of this licence and to the under-mentioned conditions. Licence is hereby granted to:

(Name) .. [REDACTED]

of (address)..C/- .. [REDACTED]

(herein after called the Licensee) to install and operate mills/ mill at/ within: (place or area)...RavaRava Customary land, Choiseul Province.....

Conditions

1. The licensee shall only produce sawn timber and shall not produce any other form of milled timber save under and in accordance with the terms and conditions of the prior written approval of the Commissioner of Forests.
2. No timber may be milled other than timber from trees which have fallen or been felled within (areas)...as above..... it shall be the responsibility of the Licensee to ascertain the place in which trees have fallen or been felled.

Provided that timber from trees which have fallen or been felled outside the said area covered by the Licence/authority may also be milled with the specific written approval of the Commissioner of Forests.

3. The licensee shall not produce more than (quantity: 990/m³annum..... timber in any one calendar year without the approval of the Commissioner, nor shall the licensee produce any other form of milled timber in excess of the quantity authorized by the Commissioner of Forest Resources under Condition 1 hereof.

4. The licence shall not acquire log timber in excess of quantities notified to him in writing by the Commissioner of Forest Resources (which in the opinion of the Commissioner are sufficient to produce the maximum output of milled timber authorized under conditions 1 and 2 hereof).
5. The licensee shall have records of log timber acquired, log timber milled and milled timber produce, sold, supplied and exported and the value thereof in such manner and to such extent as the Commissioner of Forest Resources may require and shall render to the Commissioner of Forest Resources such returns of the same at such intervals and in such manner as the Commissioner of Forest Resources may require. All such records as aforesaid shall at all reasonable times be open to inspection by the Commissioner of Forest Resources or any other Forest Officer authorized in writing in that behalf by the Commissioner of Forest Resources.
6. The Licensee shall ensure that his working practices are safe and comply with such direction (of any) as may from time to time be given by the Commissioner of Labour for the prevention of accidents and securing safe working conditions for employees.
7. The Licence is not negotiable or transferable.
8. The Commissioner of Forest Resources may cancel this Licence if the Licensee shall commit an act of bankruptcy or have a receiving or made against him or if distress or execution be levied against the mill/mills licensed hereunder or if proceedings be commenced for winding up the Licensee.
9. The Licensee shall not cease production of milled timber for any period in excess of three months without the prior written approval of the Commissioner of Forest Resources.

G.T. R. No: 0666569

Note: The Licensee should study the Forest Resources and Timber Utilization Act and the Timber (Levy and Mill Licensing) Regulations. Section 39 of the Act empowers the Commissioner of Forest Resources to cancel or suspend this Licence for contravention of any of its terms and conditions or any of the provisions of the Act or Regulations.

3. 開発同意書 (Development Consent)

Form 5

SECTIONS 22(3)(a) and 24(3)(a)
DEVELOPMENT CONSENT

Pursuant to an application for development dated 18 FEBRUARY, 2011, this DEVELOPMENT CONSENT is issued to [REDACTED] to undertake the approved prescribed development in terms of section 22 of the Environment Act.

The approved prescribed development is LOGGING OPERATIONS and is located in LOT 1, LOT 2, LOT 9 & LOT 10 of LR 598 and CUSTOMARY LAND BELOW LOT 1, LOT 2, LOT 9 & LOT 10 on [REDACTED] /Honiara-City.

The following conditions shall APPLY in addition to the conditions prescribed in these Regulations and in the Act.

1. This Development Consent is valid until such time as the abovementioned approved prescribed development is completed.
2. The holder of this Development Consent shall not undertake or cause to be undertaken any other development other than that.
3. This Development Consent is non-transferable.
4. The holder of this Development Consent, its agent, servants or officers shall permit the Director or Inspectors unhindered entry to any premises or location in which the prescribed development is situated and shall provide any assistance as the Director or Inspector may require.
5. The Director may at any time, vary or remove any conditions or restriction to this consent by notice in writing served on the holder of this consent.
6. The development proponent shall pay the prescribed consent fee on being granted the development consent.
7. The holder shall conduct the approved operations under the development consent only within the area of land specified herein.
8. The holder shall conduct the approved operations under the consent in a manner that complies with the conditions of this consent, the Environmental Management Plan, the Act and subsidiary legislation made under the Act.

Issued at: HONIARA this 31st day of MARCH 2011

Seal

Joe Horokou
Director
Environment and Conservation Division
